

**REMARKS**

This Amendment cancels claims 1-14 and 19-23 and rewrites claims 15-18 in independent form. Claims 15-18 remain in this application.

**Allowable Subject Matter**

In paragraph 6 of the July 1, 2003 Office Action, the Examiner objected to claims 15-18 as being dependent upon a rejected base claim but states that claims 15-18 would be allowable if rewritten in independent form. As set forth above, Applicant has rewritten claims 15-18 in independent form. Therefore, claims 15-18 are now believed to be in condition for allowance.

**Cancellation of Non-Allowable Claims**

Claims 1-10 and 19-23 stand rejected under 35 U.S.C. § 101 for being directed towards non-statutory subject matter. Claims 11-14 stand rejected under 35 U.S.C. § 102(b) for anticipation by U.S. Patent No. 5,072,998 to Oh.

While the Applicant respectfully disagrees with these rejections, the Applicant has canceled these rejected claims, leaving only allowable claims 15-18 remaining in the application.

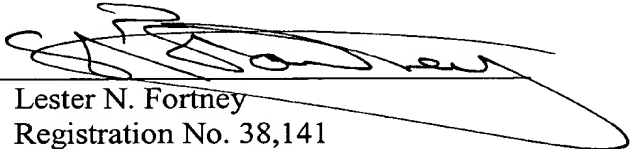

Conclusion

As set forth above, the Applicant has rewritten allowable claims 15-18 in independent form and has canceled all of the other claims from the application. Therefore, since only allowable claims 15-18 remain in this application, the application is believed to be in condition for allowance. Reconsideration of the objections and allowance of claims 15-18 are respectfully requested.

Respectfully submitted,
